JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

one engaged in producing or handling milk, must be reported at once to this department, and proper steps taken to prevent the milk from becoming contaminated.

30. All attendants in the creamery building must wear clean garments and be cleanly in their habits. Spitting or smoking in any part of the creamery building must be absolutely prohibited.

PRIVY.

31. A water-closet or privy must be provided, separate from any place where milk is handled. If a privy vault, the seats should be provided with covers so arranged that they will automatically close when not in use. The vault must be sealed to prevent the entrance of flies.

GENERAL.

32. No dogs, cats, or other domestic animals shall be allowed in any room in which milk is exposed or handled.

33. All doors and windows must be properly fitted with wire screens during the summer months, and all flies must be excluded. It will be presumed, when flies are found in the milk, that the milk has not been properly protected and handled. Such milk will be considered unfit for human consumption, and may be seized and destroyed.

34. Managers of creameries and receiving stations will be expected to refuse to accept milk for shipment to the city of New York from farmers who do not observe the rules of this department.

[Amended and adopted by the board of health of the department of health, Nov. 1, 1910.]

MINNEAPOLIS, MINN.

HOTELS, RESTAURANTS, BOARDING HOUSES—REGULATION AND INSPECTION.

Section 2 of the ordinance adopted December 22, 1910, and published in the Public Health Reports of March 31, 1911, on page 412 was amended April 3, 1911, to read as follows:

SEC. 2. Any person, company, or corporation desiring a license to conduct or operate as a hotel, restaurant, cafe, boarding house, inn, tavern, or public eating house or place, any building or any part of any building or any place in the city of Minneapolis, shall file with the commissioner of health of said city a written application to the city council for such license, giving in such application the full name and address of the proprietor of the proposed hotel, restaurant, cafe, boarding house, inn, tavern, or public eating house or place, the name of the owner of the premises and the location of the building or buildings or portion thereof or place intended to be used as a hotel, restaurant, cafe, boarding house, inn, tavern or public eating house or place in said city. Upon the filing of any such application for a license, the commissioner of health shall examine or cause to be examined the sanitary conditions of the place proposed to be licensed and shall present such application to the city council, together with a statement of the sanitary conditions of the place proposed to be licensed, with his approval or disapproval of the same. The commissioner of health shall also keep a permanent record of such inspection. Such license shall be issued to the applicant by the commissioner of health when authorized and directed by the city council so to do, upon the presentation by the applicant to the commissioner of health of a receipt from the city treasurer showing payment into the city treasury of the license fee required for such license. The license fee for such license is hereby fixed and established at \$5 per annum for each hotel, restaurant, cafe, boarding house, inn, tavern or public eating house or place in the city of Minneapolis. All licenses issued under this ordinance shall be in force for one year after the issuance of same, unless sooner revoked. Each licensee under this ordinance shall keep his license conspicuously posted in the place of business specified in his license.
